

State Route 63 Mooney Boulevard 6-Lane Tulare County

Project Purpose:

This project will improve traffic operations by increasing the capacity on this segment of State Route 63 through the City of Visalia. Construction of this project will reduce traffic congestion on local streets, by improving traffic flow, reducing travel times and increasing safety for motorists.

Project Description:

This project will upgrade State Route 63 – Mooney Boulevard in the City of Visalia from a four-lane to a six-lane divided highway from Packwood Creek to Noble Avenue. As part of this project, dual left-turn lanes and exclusive right-turn lanes will be added at four major intersections, Caldwell, Tulare, Orchard and Beech Avenues. Twenty bus bays will be built at major intersections and at mid-block locations. Median landscaping will follow at the end of this project.

Construction Cost: \$17 Million

Begin Construction: January 2008

End Construction: Summer 2009

Funding Sources: State Transportation Improvement Program (STIP)
